Muckle LLP Inspiring Careers Programme

28 October 2024 09:30 to 1 November 2024 16:30

The Inspiring Careers Programme is a work experience week designed to help you see what a career in law is like and become more employable if you decide it's the right path for you. We've been running the Inspiring Careers Programme at Muckle LLP for 12 years now, and we're getting pretty good at making your week interesting, varied and fun. Your week will be a real insight into life at a law firm; you'll be part of the team of solicitors and support staff working on real legal matters. The programme is limited to just 8 students, so you'll get all the attention you need from our friendly team. We encourage you to get involved and ask any questions you want. While you're here you'll gain practical experience working in our lively office and learn first-hand how different roles in the legal profession work together. Our team will show you how the wider business operates and talk about the different routes into a job in law and afterwards, ongoing mentoring can be arranged. For more information on the programme, click [here](#) to watch a short video. Applications are now open – click [here](#) to complete the form. Please note, students must be aged 16 and over and applications close on 27 September 2024.
