APPRENTICESHIPS WITH EDF webinar

Tuesday 26 November from 4pm

Join the Early Careers team at EDF to learn more about their amazing apprenticeship opportunities and the exciting range of vacancies available, which open for applications in December 2024.

Offering apprenticeships across the organisation, ranging from Nuclear Engineer to Project Management, Cyber Security to Environmental Ranger, Solicitor to Wind Turbine Technician and more, EDF's early careers programmes offer the opportunity to develop an exciting green career whilst helping to create a more sustainable energy future. The event is open to parents & students. To register, click [here](#).

What do chartered accountants do? ICAEW Webinar Wednesday 9 October at 4pm

(repeated again later in October, November & December)

Qualifying as an ICAEW Chartered Accountant opens up a huge number of potential career paths. But have you ever wondered what does a Chartered Accountant actually do? You could find yourself analysing a fashion brand's finances, advising charities on tax, or helping to prosecute criminals – just to name a few. In this session, we will do a deep dive into what it's really like to work in roles such as Forensic Accountancy, Tax, Audit, Insolvency and Corporate Finance. You will learn why ICAEW Chartered Accountants are essential in every business around the world and hopefully help you decide which role may suit you best!
