

HOW DO WE KEEP YOU SAFE IN SCHOOL?

All of the adults around you think that your health, safety and welfare are very important, we respect our pupils and help to protect their rights.

We teach our pupils how to recognise risks in different situations, and how to protect themselves and stay safe.

HOW WILL WE TRY TO PROTECT YOU?

We try to provide a safe, respectful environment for pupils to learn in.

We want to help to ensure that pupils remain safe, at home, in the community, as well as in school.

We think it is important for you to know where to get help if you are worried, unsure or unhappy about something or someone.
